

Name: Lohra Miller

Office: District Attorney

District: Salt Lake County

E-mail address: LohraMiller@comcast.net

Website: www.lohramiller.com

Age: 44

Occupation: District Attorney

Residence: South Jordan, Salt Lake County, Utah

Years at residence: 8 years

Qualifications:

In 2006, 7 in 10 people charged with felony domestic violence in Salt Lake County walked away from the event with no criminal consequence. Appalled by this statistic, I took office in January 2007 and within a year and a half, the domestic violence team I created increased the historical 30% conviction rate to over 70%.

With over 18 years experience as a prosecutor in our community, I have led the charge for creation of specialized prosecution units bringing a unique focus and special training to difficult case prosecutions. This brings better case resolutions, better supports victims, and brings a higher quality of justice to Salt Lake County residents. Created teams specialized in prosecuting domestic

violence, DUI, elder abuse, automobile homicide, and homicide. Current Vice-President to the National District Attorney's Association, Co-chair of the Utah Governor's Gang Task Force, and President of the Utah Statewide Association of Prosecutors.
